**The Playground
Program 2019**

Summer program for kids ages 5-12

**Are you looking for activities for your
children this summer?**

We offer the experience of a summer camp without sending your kids away.

Why choose our program?

Affordability, accessibility, and most importantly, the influence of 5 fun, engaging leaders for your children. This program is Jump Start approved!

You can expect:

Interactive play, several games, sports, arts, crafts, field trips, and lots of swimming.

Each week is themed and has several exciting activities. Our leaders are college & university students from Cranbrook who have First Aid qualifications. These young adults have a passion for working with children and are very excited for this summer!

Our Team!

Playground Supervisor

Cam

This is Cam's 1st year with the Playground Program and he is excited to be the Playground Supervisor. He is currently entering his final year in the UVic Teacher Education Program. Cam enjoys playing sports and everything outdoors. He is very excited for this summer and all the fun activities that are planned. Cam can't wait to see you at the park!

Playground Leaders

Claire

Claire has just finished at the University of Lethbridge where she was studying Kinesiology, and will be heading to Portland, Oregon this coming fall to begin her Doctorate of Chiropractic. Claire was born and raised in Cranbrook and loves it here! Claire enjoys hiking, biking, skiing, camping and anything else outdoors.

Deena

Deena is super excited to be back for her second summer with the Playground Program! She is currently an Education student at College of the Rockies. Deena likes camping, kayaking, scrapbooking, and hockey. One of her favourite things to do with friends is play board games.

Josie

This is Josie's first year with the Playground Program. Josie grew up in Cranbrook and is entering her fourth and final year of the University of Victoria Teacher Education program. Josie's passion for the outdoors, as well as a love of painting and crafts, make her an asset to the program. Josie knows firsthand about the dangers of sun exposure and will make sure your child is applying their sunscreen regularly.

Manny

This is Manbir's (Manny for short) 1st year with the Playground Program and we are excited to have him on our team! He was born in India and moved to Canada last year from Scotland. Manny is currently studying Tourism and Recreation Management and was also the Communications Director in student's association at the College of Rockies last year. Manny enjoys camping, mountain biking, hiking and fishing.

Alex

Alex is very excited for his first year as a leader for the Playground Program. He is originally from Irricana, Alberta and has completed 3 years of Kinesiology and plans to further his education at COTR in the Teacher Education Program. He enjoys being active, playing sports and he is part of the College of the Rockies Men's volleyball team. He enjoys personal training and helping individuals achieve their fitness goals.

It is important to make sure your kids come prepared with:

Good running/walking shoes & Backpack packed with:

- Water bottle
- Snacks for AM and PM (no food containing nuts!)
- Healthy packed lunch
- Swimsuit & Towel
- Hat
