

THE CORPORATION OF THE
CITY OF CRANBROOK

POLICY NO. 30-04

POLICY & PROCEDURES MANUAL

TITLE: Bylaw Compliance and Enforcement Policy

DEPARTMENT: Engineering and Development Services

1. POLICY STATEMENT

Municipal bylaws are enacted by Council under the regulatory authority of the *Community Charter* Chapter 26, [SBC 2003] and the *Local Government Act* Chapter 1, [RSBC 2015]. Council supports the initiative to achieve voluntary compliance through communication and education. Effective enforcement is based on consistency and fairness, while ensuring public safety and maintaining community harmony remains a priority.

Council recognizes that although bylaws provide provisions for further enforcement, with limited resources within the Provincial Court System, it is not possible to pursue full compliance in every case.
