Council Highlights - June 8, 2020

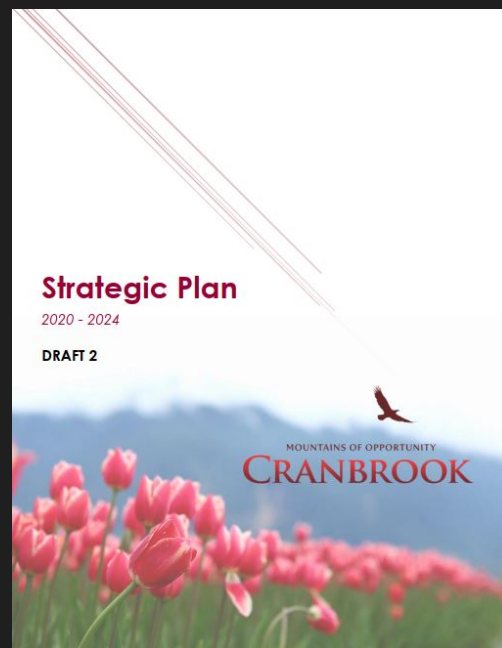

Council To Seek Public Input On Draft 2020-2024 Strategic Plan

Council endorsed the draft 2020-2024 Strategic Plan in principle Monday night, as directed administration to circulate the draft and get feedback from the public.

On February 7, 2020 Council and staff participated in a facilitated strategic planning session to identify the strategic direction and priorities for the next 4 years. This plan will act as the road map for steering the City's activities on behalf of the community with the core values incorporated into everything we do as we fulfill the vision.

The team started the process with a pre-session survey that focused on where we have been and where we would like to see us go in the future. Then they came together for 2 full days and created a new Vision, Mission and Values that reflects what the long-term future and the general direction it will take to achieve the future vision. The values are guiding principles on how the City

Incorporating public feedback can be part of the development of the plan. A survey will be conducted between June 15 - June 26, 2020 and the information collected will help inform the final Strategic Plan, which will be presented to Council on July 13, 2020 for endorsement.

The City will continuously assess and evaluate the goals, strategies and actions identified in the plan and revise as necessary based on projected service delivery targets as the population continues to grow and to act on sustainable solutions to meet future needs.

Council Directs Staff To Make Application To FCM Asset Management Planning Program & FCM Municipal Asset Management Program

Council directed staff Monday to apply for a grant opportunity from [the Federation of Canadian Municipalities' \(FCM\) Municipal Asset Management Program for a Water Source and Supply Asset Management Plan](#) and the [FCM Municipal Asset Management Program](#).

Council committed to conducting the following activities in its proposed project submitted to the Federation of Canadian Municipalities' Municipal Asset Management Program to advance our asset management program:

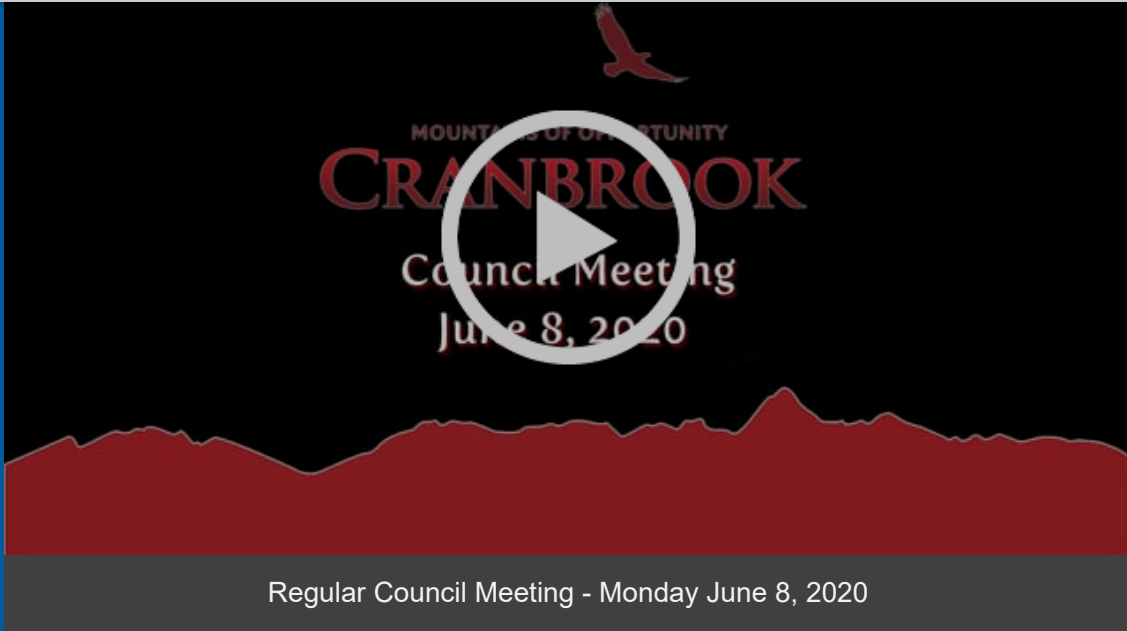

- Detailed Asset Inventory
- Asset Condition and Risk Assessment
- Asset Replacement, Renewal and Maintenance Plan
- Overall grant management

Council also committed \$17,500 from its budget toward the costs of this initiative.
