INVITATION TO TENDER

Runway Snowblower

Sealed Tenders clearly marked on an envelope “**TENDER NO. CRA2025-T-001 RUNWAY SNOWBLOWER**” will be received at the office of the Financial Services Manager, 40 – 10th Avenue South, Cranbrook, BC V1C 2M8 or electronically via BC Bid (“**the Closing Location**”), prior to 2:30 p.m., Mountain Time (MT) on Tuesday, February 25, 2025 (“**the Closing Time**”).

This Invitation to Tender comprises of supplying equipment as outlined in Section 2 of this ITT.

Tender documents are available from the City of Cranbrook website www.cranbrook.ca or on BC Bid.

Melissa Wilhelm, CPA, CA
Financial Services Manager

1.0 **INSTRUCTION TO BIDDERS**

1.1 **Definitions**

Throughout this Invitation to Tender, the following definitions apply:

- a) “Addenda” means all additional information regarding this ITT including amendments to the ITT;
- b) “BC Bid” means the BC Bid website located at www.bcbid.gov.bc.ca;
- c) “Bidder” means a person or entity with the legal capacity to contract, that submits, or intends to submit, a tender in response to this ITT;
- d) “City” means the Corporation of the City of Cranbrook;
- e) “Closing Location” includes the location indicated on the cover page of this ITT or BC Bid, as applicable;
- f) “Closing Time” means the closing time and date for this ITT as set out on the cover page of this ITT;
- i) “Invitation to Tender” or “ITT” means the solicitation described in this document, including any attached or referenced appendices, schedules or exhibits and as may be modified in writing from time to time by the City by Addenda;
- j) “Must, “mandatory, or “required” means a requirement that must be met in order for a tender to receive consideration;
- k) “Tender” means a written response to the ITT that is submitted by a Bidder.

1.2 **Delivery of Tenders**

Tenders **MUST** be in English and **MUST** be submitted using one of the submission methods below:

BC Bid Electronic Submission: Bidders may submit an electronic tender using BC Bid. Tenders must be submitted in accordance with BC Bid and e-bidding key requirements (found at www.bcbid.gov.bc.ca). Only pre-authorized electronic bidders registered on the BC Bid system can submit an electronic tender. Use of an e-bidding key is effective as signature.

Hard Copy Submission: Bidders may submit one (1) original and one (1) copy of their tender as outlined in Section 1.3 (f) of this ITT.

Email and facsimile submissions will not be accepted.

All tender submissions **MUST** include a completed and signed **Form of Tender** and completed specification sheets.

There will be no public opening for this ITT.

1.3 Submission of Tender

- a) Tenders **MUST** be submitted before the Closing Time to the Closing Location using one of the submission methods set out in Section 1.2 of this ITT. The Bidder is solely responsible for ensuring that, regardless of submission method selected, the City receives a complete tender, including all attachments or enclosures, before the Closing Time.
- b) For BC Bid electronic submissions, the following applies:
 - i. File uploads are limited to 500 MB per file. There are an unlimited number of attachments;
 - ii. Proponents submitting by electronic submission are solely responsible for ensuring that any attachments are not corrupted. The City may reject proposals that are compressed, cannot be opened or that contain viruses, malware or corrupted attachments.
 - iii. The closing time on BC Bid is shown in Pacific Time (PT). The City's Closing Time in this RFP is in Mountain Time (MT). Proponents must ensure their submission is uploaded and completed prior to the Closing Time.
- c) Only pre-authorized e-bidders registered on BC Bid can submit electronic bids on BC Bid. BC Bid is a subscription service (\$150 per year) and the registration process may take two business days to complete. If using this submission method, Bidders should refer to the BC Bid website or contact the BC Bid Helpdesk at 1-800-663-7867 for more information. An electronic tender submitted on BC Bid must be submitted using the e-bidding key of an authorized representative of the Bidder. Using the e-bidding key of a subcontractor is not acceptable.
- d) The City strongly encourages Bidders using electronic submissions to submit proposals with sufficient time to complete the upload and transmission of the complete tender package and any attachments before the Closing Time.
- e) The Bidder bears all risk associated with delivering its Tender by electronic submission, including but not limited to delays in transmission between the Bidder's computer and BC Bid.
- f) Hard copy submissions **MUST** be received in a sealed envelope at the Closing Location by registered mail, courier, or hand delivery before the Closing Time.
- g) The Tender **MUST** be signed by the Bidder and should bear the date of signing. If the Bidder is:
 - i. a company, the full company name and the name, signature and title of the authorized signing officer **MUST** appear on the *Form of Tender*;
 - ii. a partnership, all the partners **MUST** sign and print their names on the *Form of Tender*;
 - iii. a limited partnership, one or more of the general partners **MUST** sign and print their name(s) on the *Form of Tender* and include the business name of the partnership; or
 - iv. an individual or sole proprietorship, the individual or sole proprietor **MUST** sign and print their name and where appropriate, include the name of the sole proprietorship.

If requested by the City, the Bidder will provide either proof of signing authority or a notarized partnership declaration.

1.4 Enquiries

Enquiries related to this ITT, including any requests for information or clarification may only be directed in writing to the following person who will respond if time permits before the Closing Time. Information obtained from any other source is not official and should not be relied upon. Enquiries and any responses providing new information will be recorded and posted to BC Bid and on the City website.

Melissa Wilhelm, Financial Services Manager
Phone: (250) 489-0265
Email: melissa.wilhelm@cranbrook.ca

The cut-off for submitting any questions relating to this ITT will be 48 hours before the Closing Time. Questions received after this time may not be answered.

1.5 Acceptability of Tender

In addition to any other reservation of rights set out in the ITT, the City, in its' sole discretion, reserves the right:

- a) to reject any or all Tenders, or any part thereof;
- b) to reject a Tender even if it is the only one received;
- c) to accept a Tender which is not the lowest Tender;
- d) to accept all or any part of a Tender;
- e) to waive any informality in the Tenders;
- f) where the City determines that all Tender prices are too high, to reject all Tenders; and
- g) to accept any Tender that is in the best interest of the City.

Tenders that are incomplete, illegible, and obscure or contain qualifying words, clauses, omissions or other irregularities may be rejected as informal. In case of mistake in extension of price, unit price will govern.

If a Tender contains a defect or fails in some way to comply with the requirements of the ITT, which in the sole discretion of the City is not material, the City may waive the defect and accept the Tender.

The Tender shall be open for acceptance for a period of sixty (60) days from the date of closing of this ITT.

An acceptance mailed to the successful bidder within the time for acceptance specified above results in a binding contract without further action by either party.

1.6 Bid Pricing

Unless otherwise specified herein by the City of Cranbrook, all prices quoted are to be net prices in Canadian funds including Canadian Customs duties, and are to be F.O.B. including delivery charges to the destination specified by the City.

The City reserves the right to terminate this contract based on unacceptable price increases during the contract period.

1.7 Addenda

All Addenda will be posted on the City's website and BC Bid. It is the sole responsibility of the Bidder to check for Addenda. Bidders are strongly encouraged to subscribe to BC Bid's email notification service to receive notices of Addenda.

1.8 Withdrawal

Tenders may be withdrawn by written notice only, provided such notice is received by the Financial Services Manager prior to the time set for the opening of tenders. Upon closing time, all tenders become irrevocable. By submission of a Tender, the Bidder agrees that should they be successful, that Bidder will enter into a contract with the City of Cranbrook.

1.9 Amendment of Tenders

A Bidder may amend or revoke a Tender by giving written notice, delivered by hand, mail or fax to:

The Corporation of the City of Cranbrook
40 – 10th Avenue South
Cranbrook, BC V1C 2M8
Attention: Financial Services Manager
Fax: 250-426-4026

An amendment or revocation that is received after the Closing Time shall **NOT** be considered and shall **NOT** affect a Tender as submitted.

An amendment or revocation **MUST** be signed by an authorized signatory of the Bidder.

Any amendment that expressly or by inference discloses the Bidder's Tender price or other material element of the Tender such that, in the opinion of the City, the confidentiality of the Tender is breached, will invalidate the entire Tender.

If an amendment or revocation is sent by fax, the Bidder assumes the entire risk that equipment and staff at the receiving office properly received the fax containing the amendment or revocation before the Closing Time. The City shall not be liable to any Bidder if for any reason a fax is not properly received.

1.10 Bid Clarifications

The City in its sole discretion reserves the right to clarify any bid after closing and prior to award.

1.11 Conflict of Interest

By submitting a Tender, the Bidder warrants that neither it nor any of its officers or directors, or any employee with authority to bind the Bidder, has any financial relationship or affiliation with any elected or appointed official or employee of the City or their immediate families which might in any way be seen by the City to create a conflict. If such a relationship does exist it must be declared and the City, in its sole discretion, will determine if a conflict of interest exists.

1.12 Service Contracts

If this ITT is for, or includes, a contracted service, Bidders shall note:

1.12.1 Liability Insurance

The successful Bidder must provide to the City proof of minimum \$2 million General Liability Insurance with the City named as an additional insured party. The City reserves the right to modify the type of insurance coverage and amount coverage (which may include increasing the amount of coverage) required to be carried by the successful Bidder.

1.12.2 Worksafe BC

The successful Bidder must provide to the City its Worksafe BC registration number, which must cover all workers, shareholders, directors, partners, subcontractors and other individuals employed or engaged in the performance of the work.

1.12.3 Indemnity

For the purpose of any contract the City may enter into with the successful Bidder, the contractor must indemnify and hold harmless the City, its employees and agents, from any or all claims, demands, actions, and costs whatsoever that may arise, directly or indirectly out of any act or omission of the contractor, its employees, or agents, in the performance by the contractor of the work set out in this ITT. Such indemnification must survive termination of the contract.

1.13 Trade Agreements

This Tender has been issued in compliance with the City of Cranbrook Purchasing Policy No. 40-501 and meets the requirements of the Canadian Free Trade Agreement and the New West Partnership Trade Agreement.

1.14 Freedom of Information

Without limiting other obligations under the *Freedom of Information and Protection of Privacy Act* and any other enactments that may apply to the City or the Bidder or to both, and despite any promises or commitment by the City to preserving the confidentiality of information to the extent permitted by law, the Bidder acknowledges that any information provided to the City in relation to this RFP, or that is created, produced, negotiated or otherwise comes within the City's custody or under its control pursuant to this RFP, may be subject to a legal requirement to disclose the information pursuant to a request for access under that Act.

2.0 SPECIFICATIONS

The tables below provided are for convenience purposes and need not be used exactly as presented, provided that the Bidder is clear as to which information is addressing specifically which subsections. Bidders are encouraged to indicate how aspects of their tender meet or exceed the specifications.

Year, Make and Model of vehicle quoted: _____

SPECIFICATIONS BELOW ARE THE MINIMUM REQUIRED, Please Indicate "YES" if unit is supplied as specified. Space is included to detail additional equipment that may be included.

Indicate "NO" if unit is not as specified and give details.

Where a specification indicates “MUST”, this is a mandatory requirement that must be met in order for a tender to receive consideration.

1	SPECIFICATIONS – DETAIL REQUIREMENTS	YES/NO	DETAILS
	Type: MUST be two Stage type snowblower with either ribbon or auger style, designed to operate all systems by a single operator with controls in easy sight and reach of operator. First stage shall be ribbon or auger. Second stage shall consist of fan impeller to cast snow to left or right. Range of trajectories being fully adjustable by the operator.		
	Rating: Minimum 3,000 tons per hour with a cast distance of a minimum 100 feet. Capacity calculated at a rating of 6 tons per horsepower per hour.		
	Cold Weather Operations: Shall be able to perform normal operations at an ambient temperature of -40 Celsius.		
	Colour: Shall be the factory standard paint. Paint must be applied at factory. Colour must be yellow or orange.		
	Width: Minimum width of blower head shall be 114”.		
	Cutting Edge/Skid Shoes: Manufacturers standard. Mounted as far outboard as possible with replaceable wear surfaces to avoid damaging the unit.		

2	SPECIFICATIONS – DESIGN & CONSTRUCTION	YES/NO	DETAILS
	<p>Materials: Shall be of the highest grade possible and free of defects and imperfections that might affect the serviceability of the final unit. All fasteners shall be of SAE grade 8 or better quality.</p>		
	<p>Component Installation: Shall permit operator and maintenance technician to have easy access for maintenance procedures while wearing bulky winter clothing.</p>		
	<p>Requirement: Components shall be free of hazardous protrusions, sharp edges, and cracks that might cause injury to personnel or damage to other components.</p>		
	<p>Protective Coating: All tubing, lines and electrical wiring shall be positioned in protective coating or loom with rubber coated clamps and rubber grommets shall be utilized when items protrude through a structural member.</p>		
	<p>Braces and Gussets: Unit shall be braced and gusseted to withstand vibrations, strains and impacts.</p>		
3	SPECIFICATIONS – CAB & CHASSIS	YES/NO	DETAILS
	<p>MUST not be a prototype design</p>		
	<p>Chassis:</p>		
	<p>Type: Shall be all wheel drive, cab to be mounted behind the discharge impeller.</p>		
	<p>Wheelbase: Shall not exceed 188”.</p>		
	<p>Height: Maximum height shall not exceed 156”.</p>		
	<p>Weight Distribution: Shall be balanced as to protect the machine from being overloaded on any one axle.</p>		
	<p>Cab Mounting: Shall be mounted behind the discharge impeller and centred with the bank head. Right hand steering designs will be allowed.</p>		

	Chassis drive: Shall have an automatic transmission with a minimum of four forward gears and one reverse.		
	Component Mounting: Engine, transmission, transfer case etc shall be mounted with vibration isolation devices.		
	Accessories: Two (2) frame mounted tow hooks or one (1) pintle hook hitch or one drop pin style hitch shall be securely attached to rear of unit.		
	Float System: Shall have float system to carry the weight of the snowblower.		
	Length: Maximum overall length including blower head shall not exceed 36 feet.		
4	SPECIFICATIONS - ENGINE	YES/NO	DETAILS
	Type: Electronic, turbo charged diesel liquid cooled 4-cycle engine. Engines must meet all current emission standards for Canada.		
	Horsepower: The engine must be a minimum 500hp. Engine manufacturer must have a local dealership for parts & service.		
	Governor: Full electronic with electronic fuel injection, and on-board diagnostic capability.		
	Warning System: Audible shut-down type for low oil pressure, low coolant level, high oil temperature, and high coolant/engine temperature. Shall be equipped with a shut-down override for momentary engine operation.		
	Oil Filter: Manufacturer's standard centrifugal spin-on type.		
	Air Filter: Under hood mounted two-stage with restriction indicator.		

	<p>Fuel Filter/Water Separator: A fuel filter/water separator, complete with transparent bowl and replaceable element shall be installed in the fuel system between the fuel supply tank and the engine(s).</p>		
	<p>Block Heater: 1000-watt, 120 volts with a stationary flush mounted receptacle.</p>		
	<p>Exhaust System: Designed to limit engine noise to 85 dB(A). Shall be vibration isolated and equipped with necessary heat guards and rain caps or turndowns to prevent water intrusion. System shall be equipped to shed water and prevent water from entering engine enclosure.</p>		
5	SPECIFICATIONS – ENGINE COOLING SYSTEM	YES/NO	DETAILS
	<p>Rating: Must be approved by engine manufacturer for type of service</p>		
	<p>Requirement: Must be capable of maintaining proper engine temperature under full load in 20-degree Celsius ambient temperature without overheating.</p>		
	<p>Antifreeze: Permanent type to –40 degree Celsius.</p>		
	<p>Radiator: Current year production with vibration isolation mounting system.</p>		
	<p>Drains: Cooling system shall have easily accessible drains at all points necessary to drain system completely.</p>		
6	SPECIFICATIONS – DRIVE SYSTEM	YES/NO	DETAILS
	<p>Shall have an automatic transmission with a minimum four forward gears and one reverse.</p>		
	<p>Shall be an automatic transmission of the counter shaft power shift design with torque convertor drive or be of the hydrostatic design.</p>		
	<p>Transmission shall offer manual shifting for first, second, third and fourth gears.</p>		

	The snowblower shall be provided with an automatic safety device to ensure that the vehicle engine can only be started in neutral range and the range selector cannot be inadvertently shifted into reverse. The shift control quadrant shall be illuminated.		
7	SPECIFICATIONS – TRANSFER CASE	YES/NO	DETAILS
	The snowblower vehicle shall have a transfer case that will allow four (4) wheel drive operation with control and engagement indicators in the cab.		
8	SPECIFICATIONS – AXLES & TIRES	YES/NO	DETAILS
	Type: The final drives shall be of a planetary design.		
	Wheels: Steel disc type wheels, Michelin X Snowplus M&S Radial tire or equivalent aggressive tread tire suited for the vehicle operational conditions, complete with a spare wheel and tire. Both front and rear wheel/tire combinations should be of the same type and size. A spare wheel and tire for each wheel of different sizes must be supplied. Tires to be approved by the buyer prior to being installed.		
9	SPECIFICATIONS – STEERING SYSTEM	YES/NO	DETAILS
	Type: Hydraulic powered utilizing a separate circuit with its own pump and driven from carrier engine.		
	Modes: If equipped with rear steer, the operator shall be able to pre-select the desired steering mode: front axle only - joystick control, rear axle only joystick control.		
	Rear Axle: If equipped with rear steering, positive lockout on rear axle that is activated by operator must be installed. Shall also be equipped with a rear axle centering indicator.		

10	SPECIFICATION – BRAKE SYSTEM	YES/NO	DETAILS
	<p>Type: Air Brakes, Air over hydraulic, disc or full hydraulic wet disc or drum type brakes are permitted. Brake system shall conform to all Canadian requirements. Emergency Brake shall be capable of holding unit on 5% grade.</p>		
11	SPECIFICATIONS – HYDRAULIC SYSTEM	YES/NO	DETAILS
	<p>Pump: Manufacturer’s standard direct mounted pump. The pump(s) are to be of sufficient size and design that optimize available machine HP.</p>		
	<p>Filters: The hydraulic system shall be fully filtered and completely sealed.</p>		
	<p>Controls: Shall be cab mounted, easily accessible by operator.</p>		
	<p>Functions: Shall be capable of performing the following functions: head lift, head lower and discharge chute oscillation.</p>		
12	SPECIFICATIONS - ELECTRICAL	YES/NO	DETAILS
	<p>Type: 12 volt or 24 negative ground system is acceptable.</p>		
	<p>Circuit Breakers: All circuits must be protected with manual reset circuit breakers in lieu of fuses. Circuit panel shall be in an easily accessible location.</p>		
	<p>Wiring: All wiring shall be colour coded and numbered to facilitate trouble shooting and repair.</p>		
	<p>Batteries: Shall be heavy duty and able to function at -40 Celsius. Batteries shall be protected from elements.</p>		

	<p>Battery Isolation Switch: The snowblower shall be equipped with a battery isolation switch to completely isolate the batteries from the electrical system. The isolation switch shall be installed in a convenient location and able to withstand moisture and other contamination.</p>		
	<p>Back up alarm: A back up light and audible.</p>		
13	SPECIFICATIONS – LIGHTING SYSTEM	YES/NO	DETAILS
	<p>Headlights: Minimum four (4) LED lights. Two above windshield and two mounted above rear window of cab.</p>		
	<p>Engine Compartment Lighting: Manufacturers standard.</p>		
	<p>Beacon: Provide roof mounted LED amber beacon (similar to Whelen L31HAF). The light flashing frequency shall be between 60 and 90 per minute. The light must be visible 360 degrees and have a minimum of 30 LEDs. Must have factory mounted switch.</p>		
14	SPECIFICATION – OPERATOR’S CAB	YES/NO	DETAILS
	<p>Type: Cab must be meet all Canadian Safety Standards. Sound suppressed, fully enclosed and insulated. Cab is to be mounted centered with bank head. Right hand drive design will be allowed.</p>		
	<p>Sound Suppressed: Cab shall be sound suppressed to 85 dB(A) maximum.</p>		
	<p>Weatherproof: Shall be completely weather sealed and equipped with rain gutters over doors and windows.</p>		
	<p>Assist Handles, handrails, bulwarks: Minimum of 24” in length, mounted at the steps to the cab. Shall be provided where necessary for the safety and convenience of the operator. Rails and stanchions shall be strongly braced and constructed so as to allow the operator to maintain three points of contact.</p>		

	<p>Steps/Ladders and Walkways: Shall be constructed of, or covered with a slip resistant material.</p>		
	<p>Heater/Air Conditioner/Defroster: Shall have a fresh air, snow free intake. Heater/Air Conditioner shall exhaust air into cab to keep windows and windshield fog free. Heater, air conditioner shall maintain cab temperature of 20 degrees Celsius during operation.</p>		
	<p>Sun visors: Front window shall be equipped with a minimum of one (1) sun visor.</p>		
	<p>Rear view mirrors: Cab shall have externally mounted rear-view mirrors.</p>		
	<p>Windshield Wipers: Manufacturers standard intermittent electric with electric washer.</p>		
	<p>Seats: Air suspension type: cloth covered with headrest. Must have height adjustment, fore and aft isolator and dual folding arm rests.</p>		
	<p>Horn: Manufacturers standard.</p>		
	<p>12-volt power outlet: Provide a minimum of one standard 12-volt power outlet.</p>		
	<p>Steering Column: Shall be tilting adjustable type mounted directly in front of the operator. On right side of cab for right hand steering and operation.</p>		
	<p>Fire Extinguisher: 10-pound ABC type mounted in cab.</p>		

15	SPECIFICATIONS – CONTROLS & GAUGES	YES/NO	DETAILS
	<p>Gauges: Shall be full face, full sweep type or digital and shall include the following: Voltmeter Engine Oil Pressure, Engine Coolant Temperature, Hydraulic Oil Pressure, Hydraulic Oil Temperature, Fuel Level, Engine Tachometer, Speedometer, Engine Hour Meter, Rear Axle Steering Indicator if equipped with rear steering</p>		
	<p>Safety Features: Computer shall monitor the above systems and send warning signals to operator when acceptable levels are violated. If critical temperatures, pressures, or levels are reached the compromised systems shall begin shut down to prevent serious damage to system.</p>		
	<p>Location: All gauges and controls shall be individually and internally illuminated for nighttime operation.</p>		
	<p>Labels: All controls and gauges shall be marked with engraved type labels or on gauge face for long life use.</p>		
16	SPECIFICATIONS - ACCESSORIES	YES/NO	DETAILS
	<p>Fuel Tank: Shall be of sufficient capacity to operate unit for a minimum of 8 hours. Tank(s) shall have a minimum combined capacity of 300 litres.</p>		
	<p>Engine Covers: Access panels and cover plates are to be equipped with steel hinges and quick release latches. Panels are to have mechanical hold open or prop open assembly. Lift out style covers are not acceptable.</p>		
	<p>Fenders: All tires shall be covered with fenders.</p>		
	<p>Engine Block Heater: For each engine, a block heater, minimum size of 1000 watts complete with cord and plug. All exterior 120-volt heater plugs shall be, weatherproof receptacles, located at one point on the exterior of the blower. At the receptacle provide permanent identification noting each heater type.</p>		

17	SPECIFICATIONS - TRAINING	YES/NO	DETAILS
	Shall provide a minimum of eight (8) hours onsite training.		
18	SPECIFICATIONS - DELIVERY	YES/NO	DETAILS
	<p>Pre delivery: The manufacturer prior to delivery shall complete a pre-delivery service. The snowblower is to be lubricated and serviced with all associated products suitable for the climatic conditions in the area the snowblower will operate.</p>		
	<p>Inspection: The prime contractor is responsible to ensure that the snowblower is thoroughly tested, inspected, and that all deviations are corrected prior to delivery. The City reserves the right to inspect the snowblower at any stage of production and have all deviations corrected upon request. A final inspection will be conducted at time of delivery.</p>		
	<p>Delivery: The prime contractor is responsible to ensure that the snowblower is delivered to the Cranbrook Airport, 9370 Airport Access Road, Cranbrook, BC.</p>		
	<p>Delivery Date: The unit shall be delivered to Cranbrook Airport no later than 18 months from Purchase Order Issuance. Preference will be given to shorter delivery timelines.</p>		Shall be delivered no later than: _____ (Delivery Date)
19	SPECIFICATIONS: MANUALS	YES/NO	DETAILS
	<p>Manuals: Provide a minimum of two copies, one electronic, one paper, in English, of each set of manuals requested below for the snowblower delivered. The contract will not be considered complete until all manuals noted are received and deemed acceptable by the City of Cranbrook. Final payment will not be made until such time as all manuals are received and deemed acceptable by the City of Cranbrook.</p>		

	<p>Maintenance Shop Manuals: Provide two copies, one paper and one electronic of the manufacturer’s overhaul maintenance manuals. The maintenance manuals must indicate the proper maintenance procedure for all component installations. The manual must include assembly drawings of all components.</p>		
	<p>Parts Manual: Provide two copies, one electronic and one paper of the parts manual for the snowblower. All parts manuals MUST list each of the individual components, manufacturer’s part number.</p>		
	<p>OEM Parts and Maintenance Manuals: Provide two copies, one electronic and one paper copy of the maintenance and parts manuals supplied by the respective manufacturer (OEM) for each of the major components installed in the snowblower.</p>		
	<p>Operator’s Manual: Provide two copies one electronic and one paper of the operator’s manuals for the snowblower.</p>		
20	SPECIFICATIONS - WARRANTY	YES/NO	DETAILS
	<p>Warranty Period: Provide parts and labour warranty for a minimum of 1200 hours, as measured on the unit’s hour meter, from the date the unit is initiated into service, on all components of the snowblower.</p>		
	<p>Warranty Coverage: The Warranty noted shall include all failures attributed to the lack of, or improper installation or failure of failsafe mechanisms, i.e. engine shut down devices, shear pin assemblies etc.</p>		
	<p>Warranty Claims: If requested warranty repairs have not commenced within a 24-hour period, the City of Cranbrook reserves the right to complete the repairs and bill the manufacturer for the repair parts and labour in accordance with their standard repair time and rate.</p>		
	<p>Dealer: Specify the dealer responsible for performing any required warranty repairs and provide the name and phone number of the person to be contacted should warranty repairs be required.</p>		

21	SPECIFICATIONS – SPARE PARTS	YES/NO	DETAILS
	<p>Availability: The manufacturer or supplier shall ensure that spare parts required to properly maintain and repair this snowblower will be available from his premises in Canada for prompt delivery to the purchaser for a period of at least ten (10) years.</p>		
	<p>The provision of all parts shall be treated as urgent and shall be shipped by the quickest means so that delivery will be made within 48 hours.</p>

THE CORPORATION OF THE CITY OF CRANBROOK STANDARD TERMS AND CONDITIONS OF PURCHASE

Offer and Acceptance:

The Supplier, by the acceptance of a contract and/or purchase order enters into a binding agreement of purchase and sale with the City of Cranbrook (the "City") for the supply of the goods and services subject to these terms and conditions.

The City's placement of the contract and/or purchase order with the Supplier is expressly conditioned upon the Supplier's acceptance of all the terms and conditions.

1. Purchase Orders:

All purchases of goods and services over \$200 require a purchase order. City staff will provide the Supplier with a purchase order number at the time the order is placed or shortly thereafter. The purchase order authorizes the Supplier to provide only the specified goods and services at the price indicated. In some cases, where there are liability, labour or performance completion issues, the City may require the Supplier to sign a contract.

2. Required Documentation:

Failure to meet these requirements may result in the goods and/or invoices being returned at the Supplier's cost.

1. The purchase order number must be shown on all related invoices, shipping papers, transportation bills, packages, packing lists, and correspondence.
2. A packing list must be included with each shipment.
3. A separate invoice must be rendered for each order and for each shipment or delivery. Goods and Services Tax (GST) and Provincial Sales Tax (PST) must be shown separately on the invoice.
4. All applicable transportation charges must be prepaid unless instructions to the contrary appear on the face of the purchase order.
5. Where applicable, serial numbers are to be shown on the invoice including serial numbers of trade-in equipment.
6. The Supplier shall provide all the necessary training and instruction to its personnel, representatives and agents in the storage, handling and use of any product classified as a "Controlled Product" under WHMIS. The Supplier will provide the appropriate labels and material safety data sheets (MSDS) for WHMIS regulated products. No product containing asbestos shall be supplied at any time without written authorization. The Supplier will ensure and fully comply with the Transportation of Dangerous Goods Act and Regulations when shipping goods to the City.

3. Invoices and Payment:

Invoices shall be sent to:

City of Cranbrook
Accounts Payable
40 -10th Ave. S.
Cranbrook, BC V1C 2M8
ap@cranbrook.ca

Payment by the City shall be made after final acceptance by the City of the goods and services, notwithstanding any previous passing of title to the goods.

Payment terms are net thirty (30) days and begin the date the Accounts Payable department receives the invoices.

Unless otherwise stated, funds are payable in Canadian dollars.

Prices are to include all packing, handling, taxes, duties and are otherwise all-inclusive.

4. Customs:

For any shipments originating outside of Canada, the Supplier shall attach all required customs documents to the shipment. Payment of duties will be as per the terms of the purchase order/contract. The City's Custom Broker Contact Information: H.H. Smith Ltd., P.O. Box 30, Coutts, AB, T0K 0N0. Phone (403) 344-3822, Fax (403) 344-3027.

5. Delivery:

Time is of the essence. The Supplier must immediately advise the City of a shortage or delay of any kind. If delivery of goods and services is not completed by the date required, the City reserves the right to terminate this contract and/or purchase order in whole or in part and to purchase substitute goods and services elsewhere and charge the Supplier with any incidental or consequential damages that might be incurred.

The City shall not be liable for failure to take delivery of the goods and/or services ordered herein due to force majeure, labour difficulties, acts of God, fortuitous events or other causes of a like or unlike nature reasonably beyond its control. Deliveries not taken during such period may be eliminated from this order at the City's option without liability on its part.

6. Changes/Modifications/Termination:

The City reserves the right at any time, to cancel or terminate this order in whole or in part by written or verbal notice confirmed in writing, or to make changes in any one or more of the following: quantity, specifications, methods of shipment or packing, and place or timing of delivery. If any such change causes an increase or decrease in the cost of, or the time required for performance of this contract and/or purchase order, an equitable adjustment shall be made in the price or delivery schedule, or both. No agreement or understanding to modify this contract and/or purchase order shall be binding upon the City unless in writing and signed by the City's authorized agent.

7. Inspection

All goods and services purchased hereunder are subject to inspection and approval upon delivery at the City's place of business. The City reserves the right to reject and refuse acceptance of goods and services which are not in accordance with the City's specifications or not in compliance with the Supplier's warranty (expressed or implied). Goods not accepted will be returned to the Supplier at the Supplier's expense. Payment for any good or service hereunder shall not be deemed an acceptance thereof. In the event the City judges the quality of the article, material or service to be deficient, the City may cancel the order by returning the goods at the Supplier's expense and debiting the Supplier's account with the original purchase cost.

8. Title:

The City shall not be deemed to accept the merchandise until the City actually receives, inspects and accepts such merchandise at its place of business. Insofar as the order specifies FOB point, the City shall accept title for the goods at that point only. Materials not sold FOB destination must be prepaid and charged. Transportation charges, other than postage, must be supported by documentation. Materials shipped parcel post must be insured. COD charges will not be accepted.

9. Risk of Loss:

Risk of loss or damage of the goods and services provided under this contract and/or purchase order shall not pass to the City until delivery at its place of business.

10. Holdback:

For the supply of both materials and services, holdback of payment may be made in accordance with the requirements of the *Builder's Lien Act of BC*.

11. Shipping containers:

All packing cases, bales and cartons, etc. in which the articles or materials may be shipped shall become, without charge, the City's property on receipt, unless otherwise stipulated.

12. Warranty:

Without limitation to any additional warranties provided by the Supplier, whether indicated on the face of the purchase order or otherwise provided, the Supplier warrants that:

1. All goods shall be of merchantable quality and free from defects in workmanship and materials;
2. All goods shall strictly conform to applicable samples, specifications and drawings;
3. All goods and services shall be fit for the purpose intended by the City;
4. All goods shall be free and clear of all liens, charges and encumbrances;
5. The goods and services shall comply with the standards set forth by applicable federal, provincial, municipal and industry regulatory agencies;
6. The shipping and handling of any hazardous material will be made in accordance with all applicable laws and regulations; and
7. The goods and services shall comply with all applicable environmental protection laws and regulations.

Unless a longer warranty period is specified in the contract and/or on the purchase order or is otherwise provided, the foregoing warranty shall be valid for one year from the date of acceptance of the goods and services by the City. If at any time prior to the expiration of any applicable warranty period, any weakness, deficiency, failure, breakdown or deterioration in workmanship or material should appear or be discovered in the goods or services furnished by the Supplier, or is the goods and services do not conform to the terms and conditions of the contract and/or purchase order, the City may at its option:

1. Require the Supplier to promptly replace, redesign or correct the defective and non-conforming goods and services at no expense to the City, or
2. The City may replace or correct the defective goods and services and charge the Supplier with all expenses incurred by the City. The Supplier agrees to indemnify and save harmless the City, its members, officers, employees, assigns, agents, clients and the public from any liability, loss, cost and expense arising either directly or indirectly, from breach of any warranty given by the Supplier hereunder.

13. Assignment:

No right of interest in this contract and/or purchase order shall be assigned by either party without the written consent of the other, and no delegation of any obligation owed, or of the performance of any obligation by either the City or Supplier shall be made without the written consent of the other party.

14. Imports:

If the Supplier manufactures or purchases any goods involved in this contract, outside of Canada, he must ensure that he, his agent, or representative is the "Importer of Record" for customs purposes.

15. Tax and Duties:

The Supplier agrees that all Canadian Goods and Services Tax (GST) Provincial Sales Tax (PST) and/or Customs Duty entitlement provided for by the Excise Tax and/or Customs Tariff Acts and all tax duty rate decreases and/or exemptions, resulting from amendments reclassifications, remissions or clarifications thereof on tax and/or duty - applicable priced goods/materials involved, whether recognized or not at the time the order is awarded, shall be passed onto the City. Otherwise said order is based on the specific GST/HST and/or Customs Duty status shown, which must be adhered to and all invoice billings must agree accordingly.

16. Insurance:

All Suppliers/Contractors providing services to the City are required at a minimum to carry \$2,000,000 Commercial General Liability Insurance with the City of Cranbrook named as an additional insured party. The City reserves the right to modify the type of insurance coverage and the coverage amount required to be carried by the Supplier/Contractor. Proof of insurance must be provided to the City prior to commencement of work.

17. Business License:

All Suppliers/Contractors conducting business within City limits will have a valid City of Cranbrook business license if required as per City of Cranbrook Business License Bylaw No. 3194 as amended from time to time or replaced. The Canadian Rockies International Airport is considered within City limits.

18. Worksafe BC:

The Supplier/Contractor shall maintain an account in good standing with Worksafe BC and shall, upon City request, provide a letter from Worksafe BC so stating, prior to commencement of work. The Supplier/Contractor shall ensure compliance by both itself and its Sub-contractors with the *Worker's Compensation Act* and regulations.

19. Patents:

The Supplier undertakes and agrees to defend at Supplier's own expense, all suits, actions or proceedings in which the City or the users of any of the City's merchandise are made defendants for actual or alleged infringement of any US, Canadian or foreign letters patent resulting from the use or sale of the items purchased hereunder, and further agrees to pay and discharge any and all judgments or decrees which may be rendered in any such suit, action or proceeding against such defendants herein.

20. Gifts, Gratuities, and Staff Discounts:

The City of Cranbrook has strict standards against City employees accepting gifts, gratuities or staff discounts as a result of their employment with the City. Items of nominal value, such as pens and calendars, used in the course of employment are exempt.

21. Indemnification:

The Supplier, by acceptance of the contract and/or purchase order, shall indemnify and hold harmless the City of Cranbrook, its agents, and employees, from and against all loss or expense by reason of the liability imposed by law upon the City of Cranbrook its agents and employees for damages because of bodily injury, including death, at any time resulting therefrom, sustained by any person or persons, or on account of damage to property, including loss of use thereof, arising out of or in consequence of the performance of this work.

22. Conflict of Interest:

It is the Supplier's sole responsibility to disclose to the City in writing, prior to supplying goods and/or services, any actual, perceived, or potential conflict of interest and any existing business relationships it may have with the City of Cranbrook, its elected or appointed officials or employees.

23. Compliance with Laws:

In accepting the contract and/or purchase order, the Supplier represents that it has complied and will continue during the performance of this contract and/or purchase order to comply with the provisions of applicable third party contracts, and all applicable federal, provincial and municipal laws and regulations. The laws of British Columbia govern this agreement.

24. Freedom of Information:

The City of Cranbrook is subject to the provisions of the *Freedom of Information and Protection of Privacy Act*. All Suppliers are therefore advised that any invoices, quotes, price offers or estimates received by the City will be treated as a public document and the contents therein may be disclosed upon written request if required to do so pursuant to the Act.
