Written notice to a Proponent that it has been identified as the successful Proponent and the subsequent full execution of a written Contract will constitute a Contract for the goods or services, and no Proponent will acquire any legal or equitable rights or privileges relative to the goods or services until the occurrence of both such events.

If a written Contract cannot be finalized with provisions satisfactory to the City within thirty (30) days of notification of the successful Proponent, the City may, at its sole discretion at any time thereafter, terminate discussions with that Proponent and either commence finalization of a Contract with the next qualified Proponent or choose to terminate the RFP process and not enter into a Contract with any of the Proponents.

Such indemnification must survive termination of the Contract.

This includes, but is not limited to, involvement by a Proponent in the preparation of the RFP or a relationship with any employee, contractor or representative of the City involved in preparation of the RFP, participating on the evaluation committee or in the administration of the Contract.

A Proponent must disclose in its proposal any actual or potential conflict of interest and any existing business relationships it may have with the City of Cranbrook, its elected or appointed officials or employees. The City has the right to reject any proposal submitted by a Proponent who in the City's determination, has, or if awarded the Contract would have, an actual, perceived or potential conflict of interest.
