

CITY OF CRANBROOK

**REQUEST FOR PROPOSALS
OPERATOR – MOUNT BAKER RV CAMPGROUND
RFP NO.: CRA2024-R-008**

ADDENDUM #1

Date: March 20, 2024

This Addendum is issued to clarify questions that have arisen as follows:

Q1. I understand this is a dry camp, but will there be water and sewer hookups for the camp host?

A1. There are existing connections for sewer services. When the City does the water line repair as outlined in the RFP, water service will be added either at one site close to the washroom or a connection at the washroom. All other sites will not have access to water or sewer services.

Q2. Are the hosts required to live on site during campground operation?

A2. The City would require a host on site similar to what is done at Provincial campgrounds.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
