

# Plaque Inscription Form

(to be used to design your final font selection and size)

## Plaque Approval:

A large, empty rectangular box with a thick black border, intended for the user to type their preferred text for the plaque inscription.

## Plaque Specifications:

Please either fill this form in electronically by typing your preferred text into the box above, or you can print in the box and return a hard copy to Recreation and Culture. It is recommended to use a larger font, with a smaller message, for best results. A final proof with recommended fonts/sizes will be produced prior to production – this proof will require your final signature for approval.

Recommend using 16 pt font minimum using standard Word fonts. Single colour graphics may also be included.
